

What is:

Rock *in'to* EternitySM

?

Rock *in'to* EternitySM

provides music services to the departed
in their place of interment

Rock *in'to* EternitySM

lets you keep your favorite music with
you, forever

Rock *in'to* EternitySM
is a response to the
realities of:
“getting older”

“Getting older”
means:

Fixin' to die!

Picture it:

Turning 60 and
“getting organized”

FINALLY getting around to:

- Writing a will
- Funeral arrangements?
- "Hey, wanna be my Executor?"
- Advanced medical directives/"Living" will
- Long-term care insurance
- Who gets the bottle cap collection and the LP's?

The background of the image is a vibrant blue sky with wispy white clouds, transitioning into a deep blue ocean with gentle ripples. A bright sun flare is visible on the left side, creating a lens flare effect across the sky and water.
